Sunshine Cleaning,

I am a dedicated Custodian ready for the job. With over 3 years experience as a facility Custodian, I will step in and make my best contribution to Sunshine Cleaning success.

I have previously worked with cleaning buildings at night, and have done some house cleaning in the beginning of my career. As someone that can efficiently complete a wide range of cleaning tasks, I clean and maintain the office, break room, bathroom, and ground floor. In addition I am an organized, service focused and meticulous team player employee.

I look forward to meeting you and discussing a possible position. In the meantime, please find my resume attached.

Sincerely,
